SPONSORSHIP

A little bit about us

The Calgary Sledge Hockey Association is a not-for-profit organization dedicated to making para ice hockey accessible to athletes of all ages, abilities, and backgrounds. Through inclusive programming, competitive opportunities, and community engagement, we empower individuals with disabilities to thrive on and off the ice.

Why Sponsor Calgary Sledge Hockey?

Supporting the Calgary Sledge Hockey Association means investing in a future where sport is inclusive, empowering, and accessible to all. As the only sledge (para) hockey organization in Calgary, we break down barriers for individuals with disabilities—providing them with a place to belong, compete, and thrive.

Your sponsorship helps us continue to grow a powerful movement that showcases the strength, resilience, and talent of our athletes. It demonstrates a commitment to building a more inclusive community—one where everyone has the opportunity to experience the joy of sport, regardless of ability.

When you partner with us, you're not just supporting a team—you're standing behind a mission of empowerment, community-building, and representation.
